CLIMATE TECHNOLOGIES

Exceptional wholesale services from the UK's only Specialist Daikin Supplier

Bringing you up to speed with the very latest Daikin technology news, along with a full and comprehensive choice of Daikin equipment, spare parts, accessories, and a full range of value-led support services that are designed to make life better for air conditioning installers.

Let's get started!

EASYZONE

The amazingly easy-to-install multi-room air conditioning solution

If you like quick and easy installations, then you're going to love Daikin's Easyzone system.

Easy to assemble and install, this packaged solution **provides conditioned air to up to eight different rooms with just a single fan coil and a single condenser**, making it ideal for residential applications or small commercial projects.

Shhh! It's the new low sound enclosure for Sky Air and VRV 5

If you haven't yet heard, Daikin has introduced a new low sound enclosure to manage the noise emitted by HVAC equipment and reduces outdoor unit sound up to 10dB(A).

Instant technical support in your pocket!

Who has time these days to scroll through manuals or spend time trying to resolve technical issues?

Daikin's Service App is a massive time-saver and it was developed specifically for service engineers who work on Daikin VRV, Split & Sky Air and Altherma equipment.

It has a multitude of functions including:

- Fan coil & BS box count
- Refrigerant recovery mode
- VRV III & IV short wiring and piping test
 - VRV emergency modes
 - VRV diagnosis modes
 - BRC setting codes
- Altherma dip switch settings
- Altherma controller settings
- Split and Sky Air fault code recovery

And so many more!
