A VERY USEFUL TECHNICAL TIP!

As Daikin experts, our customers constantly turn to us for technical support and advice. Here's one useful tip that we hope will make life easier for you. But remember, call us anytime and look out for future tips.

How to switch the Madoka Assistant App into installer mode

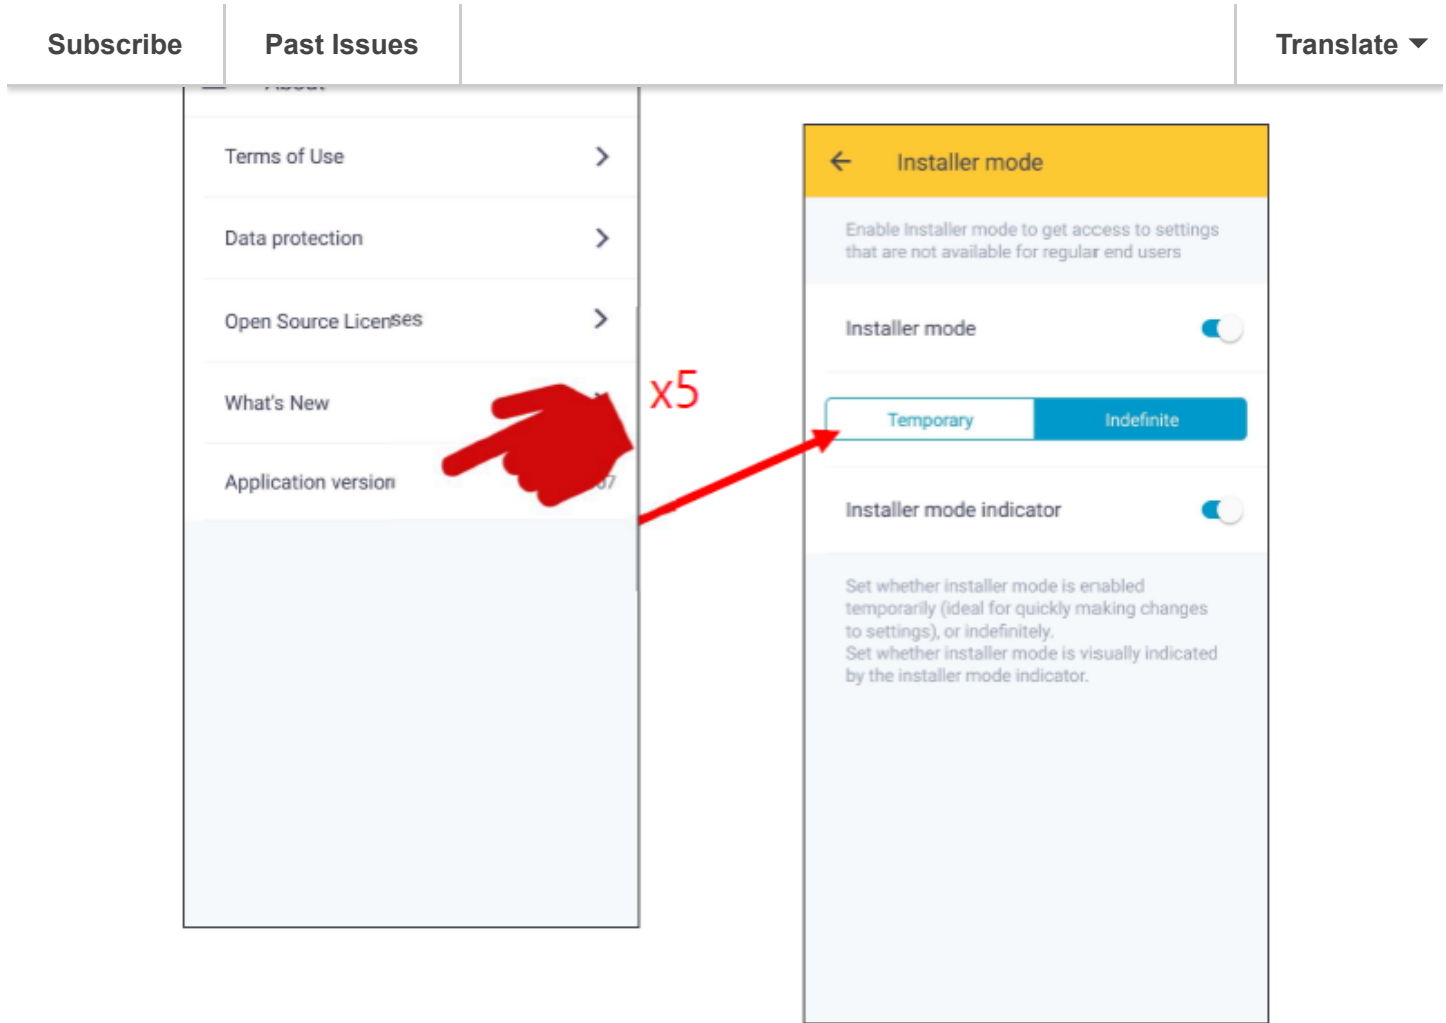

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

Quick tap 5 times on “Application version”.

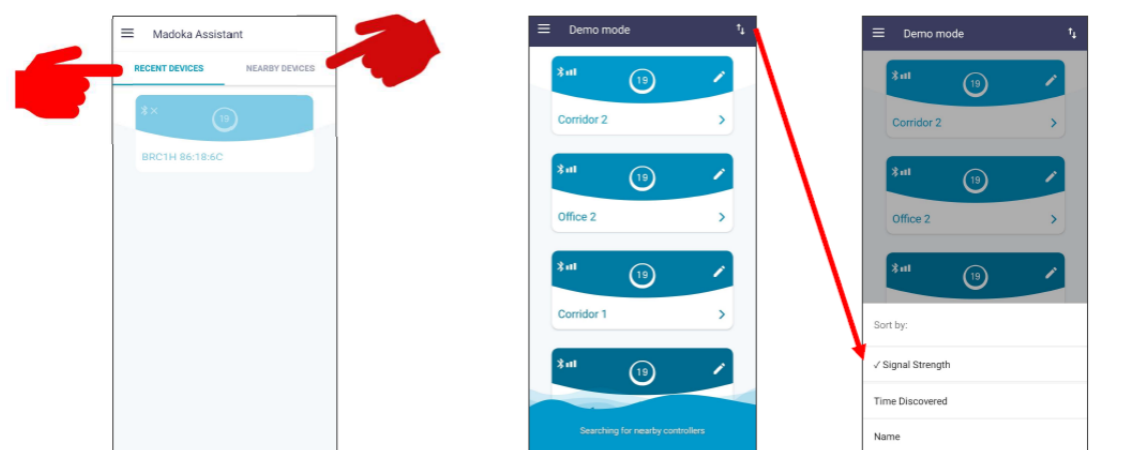

The installer mode is now activated. It can be set to auto-time out after 30 minutes (temporary) if required, and the yellow status bar can be hidden if required.

Press the arrow in the top right to return to the previous screen.

Press the 3 horizontal lines in the top left of the screen and select “Home”.

When you are presented with a list of the controllers within range, you can sort the order that they are displayed in.

User and advanced levels allow you to sort by last discovered or by signal strength. Installer levels allow you to sort by last discovered, by signal strength or alphabetically.

We hope that you found this useful but do get in touch if you have any questions.

A FREE CHRISTMAS GIFT FOR NEW CUSTOMERS!

We are giving away a FREE DAIKIN FLEECE with any order received from new customers up to 31st December 2022.

Your warm and cosy fleece will be despatched with your order so don't delay – order today!
