## Exceptional wholesale services from the UK's only Specialist Daikin Supplier

Bringing you up to speed with the very latest Daikin technology news, along with a full and comprehensive choice of Daikin equipment, spare parts, accessories, and a full range of value-led support services that are designed to make life better for air conditioning installers.

### NEW Emura 3 – Why is it so special?

Hot off the catwalk, Daikin's new Emura 3 not only oozes quality and style, but it's also going to wow your customers.

The newly designed high inverter heat pump wall-mounted unit has an ultra-thin profile and iconic design looks that are equally elegant in matt white, silver and matt black.

Delivering intelligent heating and efficient cooling, Emura 3 has a 3D air-flow system that combines vertical and horizontal auto-swing, creating an even distribution of air throughout the room and into the corners of even large spaces.

[You \*have\* to take a look at all of the features and benefits of this superb system!](#)

### Immerse your customers into buying new air conditioning!

If you're looking to impress your customers, this new 3D app uses augmented reality to help domestic customers experience and choose the perfect air

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

Customers can select a desired air conditioning unit style and colour and then view it in any room of their home – a sure way to help them buy!

Why not download the App first and try it for yourself before showing it to your customers?
